

Three-Dice Answer Key for Action Questions

Such as Will I...? Am I...? Can I...? Should I...? Does My...?

When contemplating pursuing a course of action, or unclear about one's status in a situation, or need a status report, this answer key can be consulted for such questions. If you receive a nonsensical answer to a simple question, when using this answer key, then the indications are strong that the situation is too-fluid to give a definitive answer right now. Ask again in seven to ten days.

0	The matter is not yet resolved. Ask again in a week's time.
1	Yes.
2	The probabilities are too-finely-balanced to give a definitive answer at the present. Ask your question again in two or three weeks' time.
3	The next lunar month will decide Fate's throw. Ask your question again in exactly four weeks' time.
4	Yes, provided you are not too self-centered in your approach.
5	No, not unless you approach things with more care than you have in the past.
6	Yes, but don't worry about things so much.
7	Yes, if you rely upon your own inner strengths.
8	Yes, provided you are prepared to be cooperative.
9	Only if you do your best, and are really persistent.
10	Not if your are always worrying about unreal problems.
11	Nothing is certain at the moment; it's <i>all</i> a matter of chance.
12	Yes, provided that you are serious.
13	Only if you look before you leap, and don't believe everything you're told.
14	Of course—as you are inwardly well-aware.
15	Only if you behave confidently, act decisively, or are quite sure of your facts.
16	Only if you are true to your inner nature.
17	Not if you are unprepared to take risks.
18	No at the moment, but wait for a sign, message, or information which will make things clear.
