

# TABLET OF THE WHEEL OF FORTUNE

*Answers questions concerning good luck and ill-fortune.  
May be consulted whenever the inquirer wishes to know if  
good luck or ill-fortune is coming.*

## **RULES:**

The Wheel of Fortune is that rarest of Tablets of Fate, a tablet which may be consulted at the user's own discretion. No stated specific mandatory waiting period accompanies this tablet, but if no fortune is obtained in three tries, the inquirer should wait a day before trying again.

To use, while the inquirer has their eyes closed, another participant should turn the diagram in front of them three times. The numbered circle closest to the inquirer's pointer-tip is considered to be the number of the answer, which appears in the key below:

## **ANSWER KEY TO THE WHEEL OF FORTUNE**

1. An unexpected sum of money is coming in connection with business.
2. A loss, which will result in a great blessing.
3. Beware of requests for a loan coming from an acquaintance.
4. Small risk, small gain; great risk, great loss.
5. Now is the time to venture boldly, for the return will be worth the effort.
6. An investment is going to prove worthless in the end.
7. You will have a change of fortune. Whether it will be a change for the better or for the worse, this oracle does not say.
8. You are overlooking an opportunity to make money which lies close at hand.
9. Do not take the advice of your friends when it comes to your financial plans.
10. There will be a loss of money in a crowded place. Keep your self secured.
11. Financial aid is coming as a surprise in an hour of great need.
12. You will receive something of benefit from a distant place.
