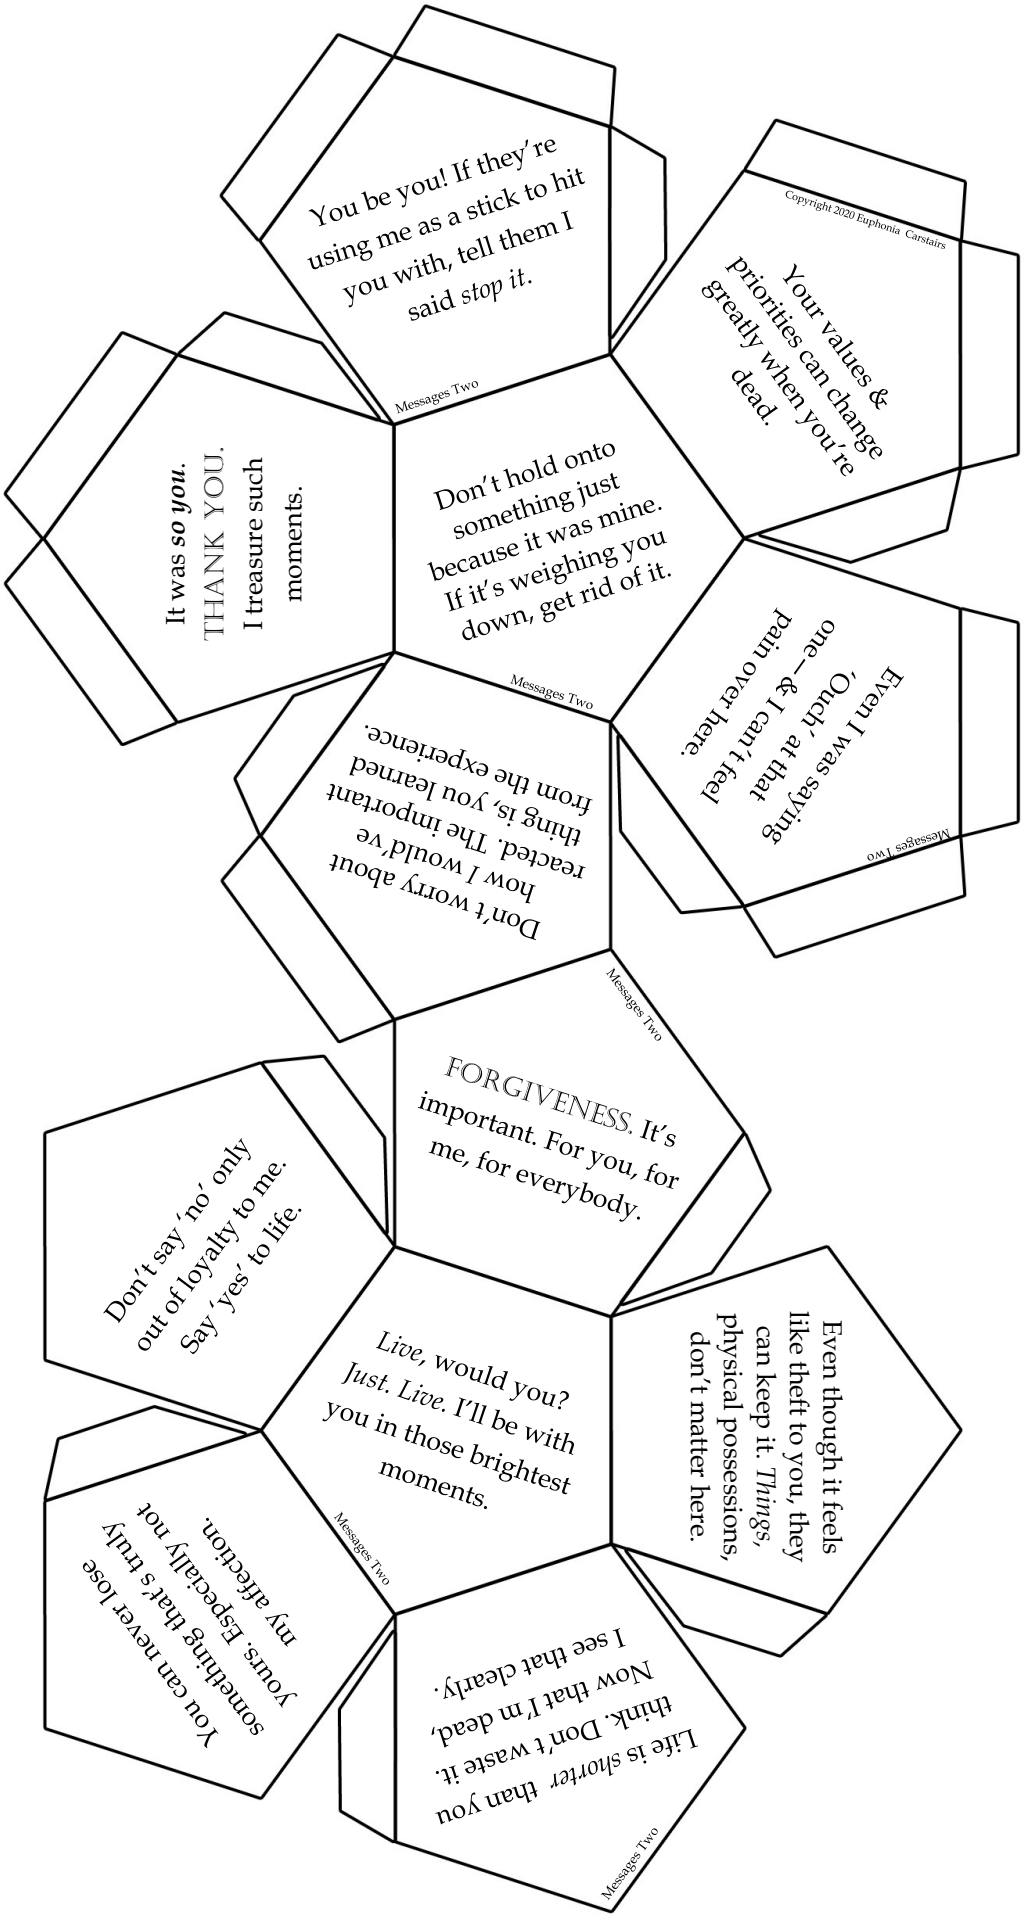
Messages from the deceased Two

And now, for some more 'tailored' messages from the beloved dead. Because you're never too old for a good-talking-to.

Instructions:

1. Cut out figure around the outer-perimeter.
2. Using a ruler, fold inward toward the blank side of the print-out along all the solid lines.
3. Start gluing or taping the interior tabs to the penta-gram-shaped flap next to it, so that the lines on the two pentagrams exactly match.
4. Gently fold the two halves of the figure into clam-shell position & start gluing or taping them together.


Suggestion: spray this sheet with a coat or two of acrylic sealer before cutting it out and assembling it. All this handling will likely cause the ink to smudge.
