Acacia Koa

Duality and balance. Will you create or destroy? Make peace or make strife?

1

Alder

Resurrection & control of the elements. Have the courage of your convictions & passions.
January.

2

Apple

Love matters, or health may need attending-to. A choice may be offered – or required.

3

Ash

The World Tree. Inter-connectedness. As within, so without. As above, so below.
March.

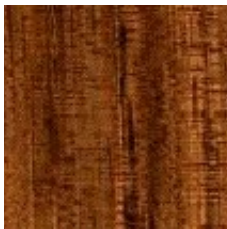

4

Aspen

Eloquence, has associations with the faerie. Forcing a change in one spot will change everything else connected.

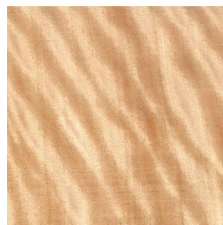

5

Australian Blackwood

Strong & determined, but morally-neutral. Can heal or destroy, repel ill-will, or send it.
It can go either way.

6

Avodire

Creativity & vivid imagination. Giving thought solid form. Also defense and protection. Using creativity to protect & defend.

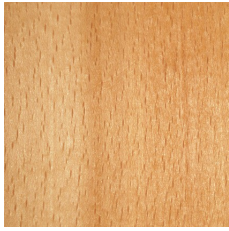

7

Basswood

Creativity, & the healing, enchantment, & enlightenment it can bring. Being presented with a blank slate.

8

Beech

Past knowledge & the wisdom it contains. The solution to a new problem could come from an old source.

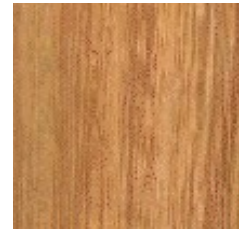

9

Birch

New beginnings, cleansing, & clearing out the negative. Organizing the chaos. Also matters of punishment. November.

10

Black Locust

Highly resistant to air pollution. Strength, prosperity, protection, & binding. Set stronger boundaries. Be more indifferent to others' opinions.

11

Black Poisonwood

Strength, determination & versatility, but ultimately indifferent to outcomes. Both defensive & offensive capability. A good warrior wood.

12

Bloodwood

Passion & ferociousness. Strong, energetic & magnetic. Can draw on & control additional energy. A valuable ally, a bad enemy.

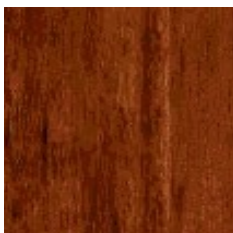

13

Bocote

Joyousness & enthusiasm. Persuasion & inspiration. Concentration & mind power.

14

Bubinga

Enhancement & influence. Passion, courage, & emotional power. A positive-energy wood. Possible gain in status.

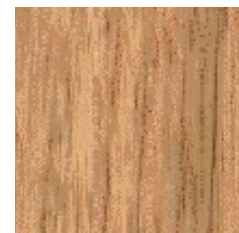

15

Buckeye

Luck, or creating success by naturally drawing the right energies in to bring positive circumstances into being.

16

Butternut

Companion to the cosmic mind. The power to attract & summon wealth, luck & strength. Prayer & meditation may draw to you what you need.

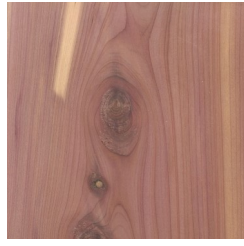

17

Canary Wood

Encouragement & motivation, but the user must supply the will. Spiritual inspiration, & exploring the non-physical.

18

Cedar

Naturally-resistant to pests & decay; protection. Influence & purification. Strengthens psychic power. A strong scent of something.

19

Chakte Coc

A carefree, here-and-now energy, which follows its whims fearlessly. Puts fears in perspective. Clarity.

20

Chake Coc

Having good tonal qualities, & used in musical instruments. Consider tone & not just what is said.

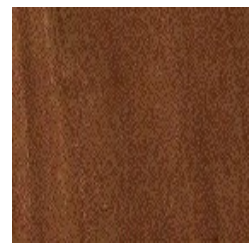

21

Chechen

Overcoming internal conflicts. Do an internal 'housecleaning.' It's time to face something you've been avoiding.

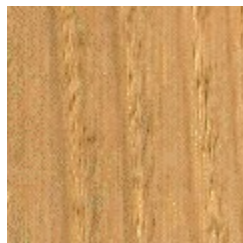

22

Cherry

A grounded wood, & level-headed. Never mind what your heart tells you to do, what does your head tell you to do?

23

Chesnut

A wood of detoxifying & banishing negative energies from the home, it may be time to clear the air of ill-feelings & long-standing issues.

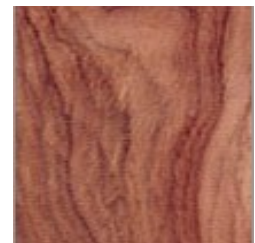

24

Cocobolo

Having a stimulating & defensive energy, this is a get up, get going, and go-to-battle wood. There is durability & strength here.

25

Coyote

A neutral-energy wood, which can be used for healing or summoning. What do you need to summon-up in order to bring healing to this situation?

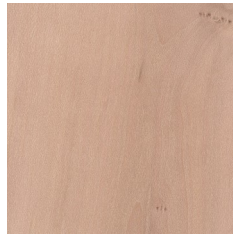

26

Cypress

Has a positive, soothing energy, particularly at times of grief or difficult transitions. A very weather-resistant wood.

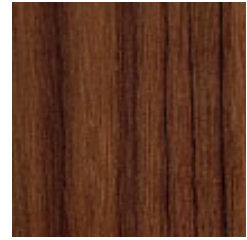

27

Dogwood

Someone loyal, protective & affectionate. A person with a secret, a wish, a passion, a desire, or a will.

28

East Indian Rosewood

Take a second, deeper look. More is going on in this situation than you realize. You may have a secret enemy here!

29

Ebony

A wide-ranging energy that's fueled by the subconscious mind. Not picky about it's friends, but protective of same.

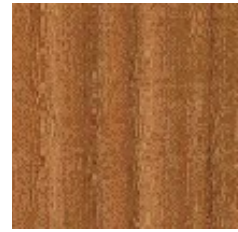

30

Elder

Banishing & protecting from evil. Change & healing; a transformative time. Possible feelings of shame over past actions. A sacred wood. October.

31

Elm

Death & rebirth. Neutral to either destructive or protective purposes. One person's 'destruction' is another's 'protection.'

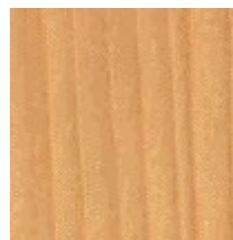

32

Eucalyptus

A very strong healing wood; someone could be recovering from an illness or injury. A clean environment & good hygiene practices would help.

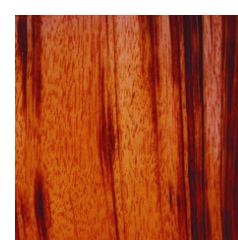

33

Fir

Seeing the long-view & big picture with a clear eye. Acting wisely is the only true protection in this situation. One of the nine sacred woods.

34

Goncalo Alves

AKA Tiger Wood, it's high in general positive energies. A kind authority with loyal staff. Something under-seal & protected.

35

Hackberry

Creative inspiration & wise guidance through a time of transition. A multi-purpose wood; a diverse set of talents & skills.

36

Hawthorne

A charming person gifted at concealment. Insight brings protection. Feeling inspired to creativity or self-improvement. April.

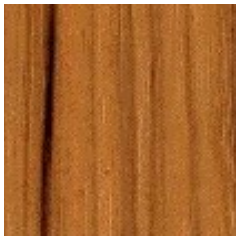

37

Hazel

A positive change could be coming. This is a time for seeking the truth & hunting-down information, by divination if necessary. July.

38

Hickory

Feeling or seeking balance & nourishment. A well-intentioned person. A time for acquisition & finding direction.

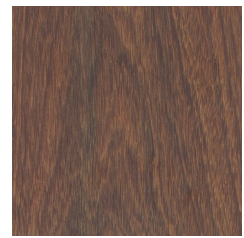

39

Holly

A masculine energy of strength & goodwill. Excellent for defense & protection, & 'best in the fight.' Victory indicated. June.

40

Ipe

Growth, renewal, luck, & success are indicated. This is protected, & will bring healing.

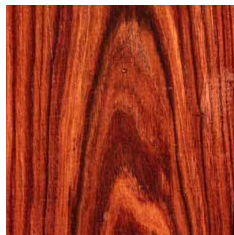

41

Katalox

There is a need to get strong emotions under control, to clear the path to understanding. Grounding & insight.

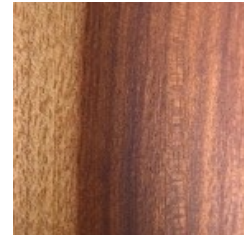

42

Kingwood

Blocks unwanted energy, puts up an impenetrable barrier. Exerting will on the world to bring needed/wanted change.

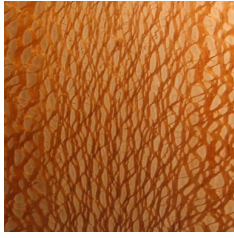

43

Kou

The full-circle of birth, destruction & rebirth. Someone morally-neutral who can lean toward either good or ill.

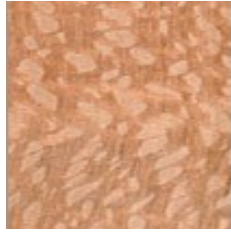

44

Lacewood

Good luck, & positive energies coming your way. You will soon receive distant news which may bring these circumstances about.

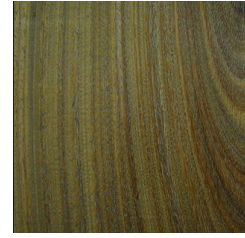

45

Leopardwood

A strong & creative person may soon be presented with an opportunity. This opportunity may bring protection with it.

46

Lignum Vitae

There is power & strength in simple goodness. It has the ability to heal. Something or someone may be very long-lived when this card turns up.

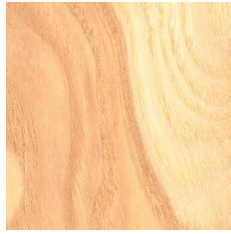

47

Lilac

Expansion & growth. Intellect, communication & concentration. Distracted by attraction to, & erotic thoughts about, someone.

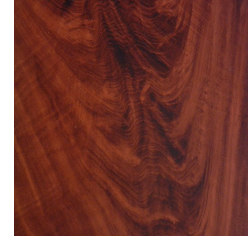

48

Honey Locust

Concern with beauty & physical appearance. Someone or something seemingly from the fairy realm. Challenge & protection.

49

Mahogany

An opportunity for which only the strong & energetic need apply. Excellent for protection. A wood of fire & earth.

50

Santos Mahogany

Your intuition may be enhanced right now. You now have the ability to explore potentials, & it may be time to do so.

51

Makore

A situation which requires strength to handle. Life can be either enhanced or destroyed by this energy. A wood of fire

52

Maple

Travel. Making either the right decision, or a sound one. Spiritual Healing. Intelligence, communication.

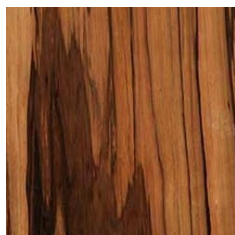

53

Mesquite

Nurturing, providing. Preparing the feast, or enjoying it. Abundance; strengthening the homestead.

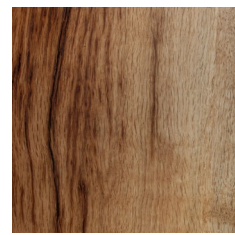

54

Monterillo

A strong, courageous & determined person, who could use their strengths to ill-effect, if they chose to do so.

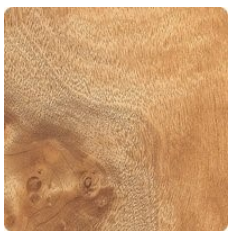

55

Mulberry

Hermaphroditism. The time before the separation of male & female. A need to balance both natures inside of one.

56

Myrtle

Stepping back & seeing the big picture. Facing reality. An honest person who demands honesty in return.

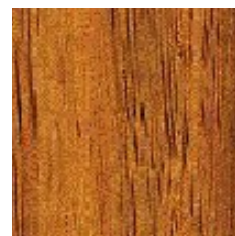

57

Manzanita

A tricky situation which will trap some & protect others, allowing them to escape, unharmed, to safety.

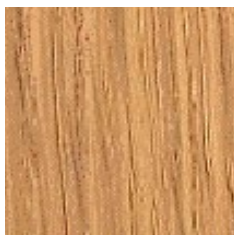

58

Narra

A feminine version of Paduak. A powerful woman who's difficult to control, because her energy & focus shifts.

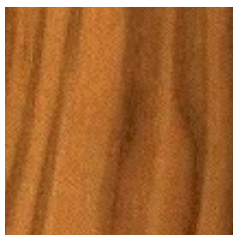

59

Red Oak

Strength, stability, wisdom & protection. Persistence & endurance. Kingship, personal sovereignty & authority. May.

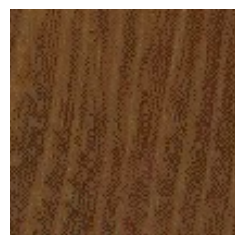

60

Olive

Communication & conversation, sometimes a great deal of it. A peace offering & wisdom proffered.

61

Osage Orange

The pursuit of goals & passions. Spiritual matters; spirit guides & animal guides may become known.

62

Paduak

A powerful man of strength & vitality, who is difficult to control, because his energy & focus shifts & changes.

63

Black Palm

Someone who will encourage positive change & create opportunities. They learn from their surroundings.

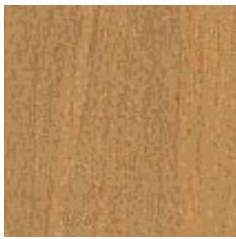

64

Red Palm

An intuitive person who excellently-conducts & boosts the energies of people around them. An empath. A mage.

65

Pear

Inspired & creative, but still grounded. A passion to heal. Money & prosperity could be coming – or desired.

66

Persimmon

Protection, love, healing, & luck. Weather-forecasting. Prematurely consuming its fruit will cause indigestion.

67

Pine

A well-intentioned healer, protector, purifier, or dispeller. A wood of all elements & at home in each.

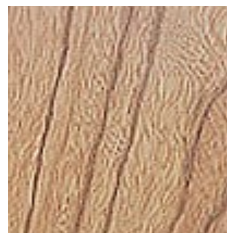

68

Pink Ivory

Royalty. Transforming powerful dreams & visions into reality. Relief from tension. Powerful healing to come.

69

Poculi

A feminine person with dreams of romance. Harmony, a binding, or healing to come.

70

Poplar

A versatile, practical person who remains neutral. Be prepared to change or move on short notice. Don't be locked-into one position.

71

Purpleheart

A wise person with high psychic ability who can banish negative energy. Someone gifted at forging.

72

Redgum

Matters of the sky, & faerie magic. The act & the outcome are inseparable. Protection. Fertility & prosperity.

73

Redwood

Endurance, strength & longevity. Focus & discipline. Serenity in the most chaotic of situations.

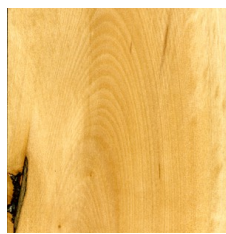

74

Redbud

New love & relationships. Spring & new ventures, especially emotional ones. Lightheartedness & warmth.

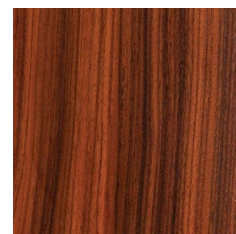

75

Rhododendron

Focus on knowledge & awareness of one's enemies. Matters of protection & shelter. Anti-inflammatory.

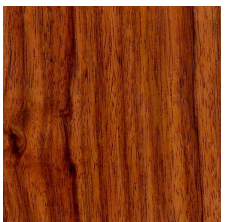

76

Bolivian Rosewood

A motherly, nurturing spirit with a mature & wise grasp of love. Spirituality, intuitive health & beauty.

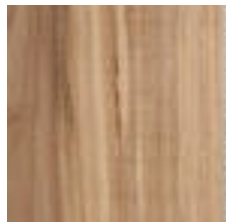

77

Honduras Rosewood

A time of spiritual nourishment. The power to mitigate unwanted energy in your life; to banish the undesired.

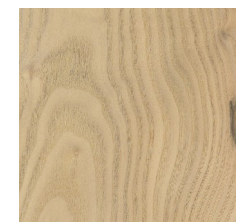

78

Rowan

You are protected from evil, & protected while traveling. Your psychic abilities may be enhanced. December.

79

Sassafras

Seeking, and/or finding, a cure-all for a variety of ailments. Multiple things may need healing here.

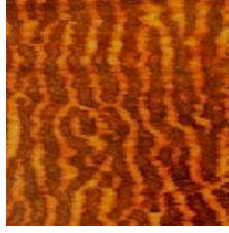

80

Shedua

A neutral, in-touch-with-the-earth energy is dominant now. It works well with the mind, & mental pursuits.

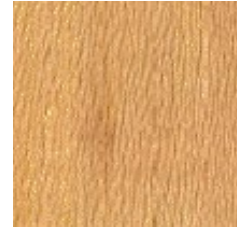

81

Snakewood

Years of partnership & this person still feels unfamiliar. Healing may come in a unique or unusual way.

82

Sycamore

Patience, & the ability to overcome adversity. The ability to thrive in a harsh climate. Strength.

83

Vermelha

A strong, energetic, balanced person who's good at protecting, & seeks out those of like-energy.

84

Walnut

Introspection, inner clarity & inner travel. It may be time to go within. Has lightning-averting capability.

85

Wenge

Connection with nature. Patience & friendliness. Occasional impishness. You may be the target of a joke.

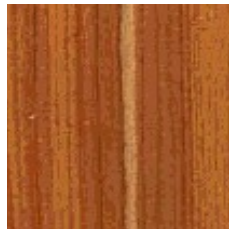

86

Willow

Be flexible; know how to bend in the prevailing winds. Possible healing to come. Align & share your energy with others. February.

87

Yew

The wood of death & rebirth. Dark magic. The Dead. Renewed spiritual strength. Reincarnation; something comes back in a new form.

88

Yellowheart

A powerful, positive, yet unpredictable event.. A beneficial physical & spiritual healer. Seek the creative.

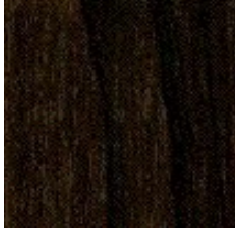

89

Zebrawood

Repelling the harmful, then
cleansing & healing the injury.
Then establish a neutral zone.
Someone may need their space
right now.

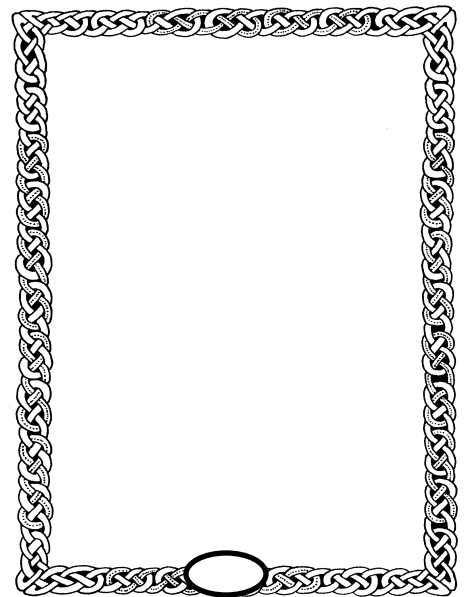

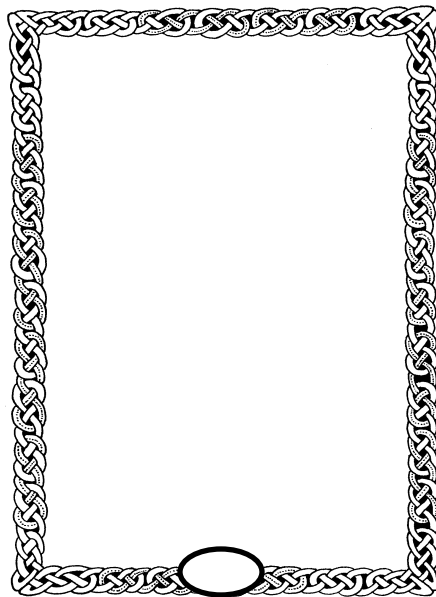

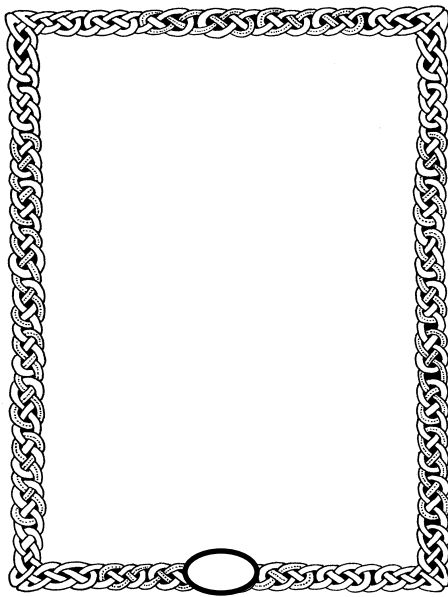

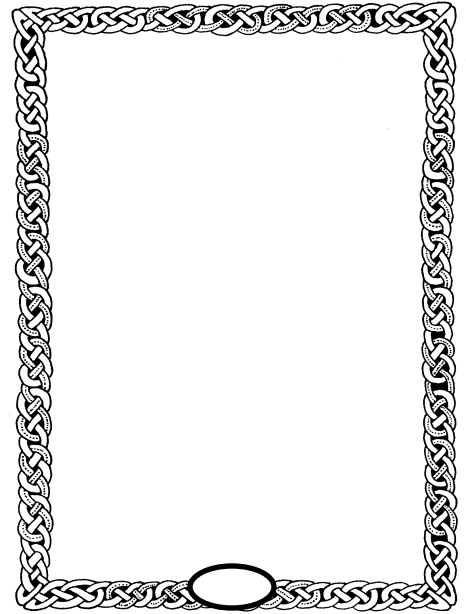

90

Ziricote

A masculine, protective
person who'd make a power-
ful & dangerous adversary.
There may be a reversal.

91

Recommendations:

Print out on card-stock weight paper
(65 lbs. or greater).

To preserve the images, cut down on
smearing or smudging, & make the
cards easier to slide against each
other while shuffling, I recommend
you spray a protective coating on
both sides of each card-sheet before
cutting-out the individual cards.
