

SIBLY'S MAGIC TABLET of Marriage

If you would know what sort of character your future husband or wife possesses, place this chart below in front of you. Then, with a straight-pin in hand, close your eyes and recite the following:

"Guide my hand, O my Ruling Planet!"

46	53	22	19	41	54	31	12	24
	50	64	45	15	10	47	61	20
14	38	16	27	18	51	21	32	23
	4	6	48	25	29	7	17	28
9	30	3	43	40	55	2	33	39
	56	36	8	44	37	57	35	58
34	1	26	58	49	52	60	5	68
	42	67	62	67	59	65	70	63
		13	66	11	60	71	69	

...Then, with eyes still closed, bring the pin down on the chart wherever you feel called to point. Open your eyes, observe the number you landed on or very-near, then consult one of the accompanying tables for the resultant fortune. In order to glean a more complete view of your future spouse's character, you may repeat this process two more times, for a total of three traits drawn.
